

CPU component-level scaling

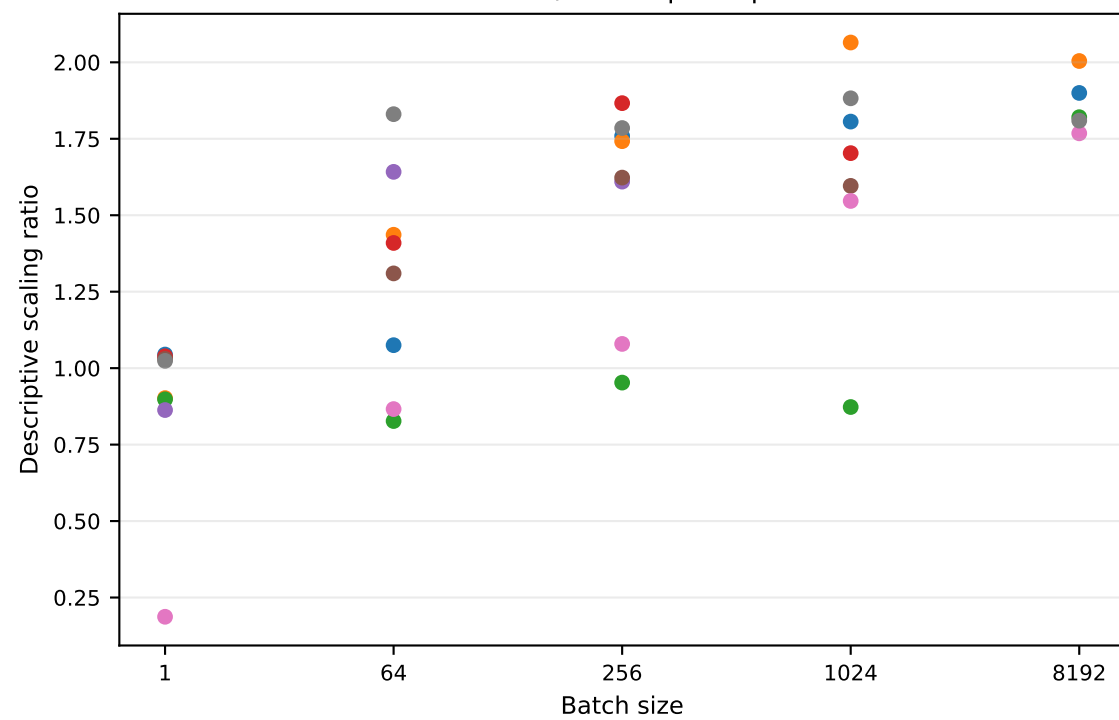

CPU1 throughput multiplier vs B1

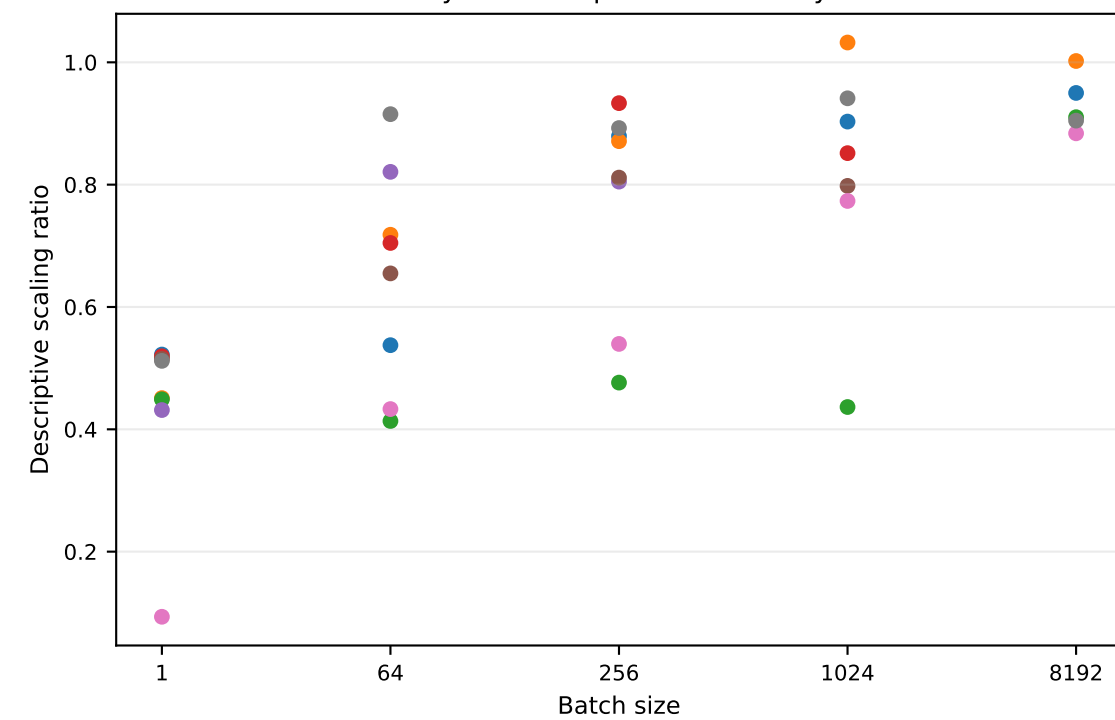

CPU2 throughput multiplier vs B1

CPU2 / CPU1 speedup

Physical-core parallel efficiency

Immutable Stage26-7C descriptive values copied from the publication table; ● ratio from the publication table; ● ratio from the publication table; ● ratio from the publication table; ● ratio from the publication table; ● ratio from the publication table; ● ratio from the publication table; ● ratio from the publication table; ● ratio from the publication table.
